

NEBRASKA MEDICINE PSYCHOLOGY DEPARTMENT NICPP SITE VISIT

Adam C. Mills, PhD
402-401-4031

admills@nebraskamed.com

Visiting interns will have learn more about Nebraska Medicine / UNMC and health psychologists' role within the organization. The visit will include meetings with the training director and interns, as well as other staff members from specific interdisciplinary teams depending on availability and interest. Visiting interns will have the opportunity to attend the psychology journal club at noon and complete a campus tour that highlights the integration of psychological services within various inpatient and outpatient settings.

- To schedule a site visit, email Dr. Adam Mills at admills@nebraskamed.com at least 3 weeks in advance
- Site visits can be fully in-person, fully virtual (Zoom), or a hybrid, depending on the preferences of the attendees
- Site visits are scheduled on the 4th Friday of the month in Sept, Oct, and March
 - **Friday, 9/22/23**
 - **Friday, 10/27/23**
 - **Friday, 3/22/24**
- Site visits usually start at 11am and end by 4pm
- Arrangements on alternative days may be available under certain circumstances
